

Eighteenth Anniversary Awards Dinner Souvenir Program Book

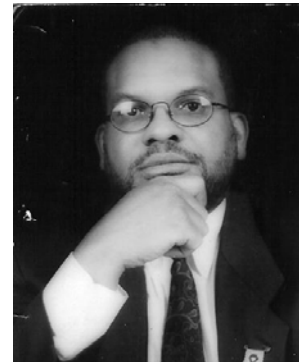

December 15, 2005 • 6:30 - 9:00 pm • Loyola University - Kasbeer Hall

A TIME TO HONOR OUR OWN:

Prevention Partnership is celebrating eighteen years of service to the community in providing comprehensive, culturally diverse prevention and education services in areas such as alcohol and other drug abuse, HIV/AIDS, anger management, violence, and peer leadership. In carrying out such activities, it functions as a catalyst and management agent for the community, by facilitating a needs assessment and action planning process. Each year Prevention Partnership, Inc., salutes those special people whose actions have made Chicago safer, healthier and in other ways, a better place. On its eighteenth anniversary, Prevention Partnership will salute two of the community's finest supporters of prevention and health promotion efforts.

Prevention Person of The Year Award

Board of Directors member **Dr. William Johnson** will receive its Prevention Person of the Year Award. Dr. Johnson accepted a position on Prevention Partnership's Board of Directors in April of this year. He is the Medical Director of the Luck Care Center, which is Roseland Community Hospital's HIV/AIDS primary care clinic. He is also a past member of the Chicago Area HIV Services Planning Council of Chicago and sat on its Quality Assurance Committee. A highlight of Dr. Johnson's career was traveling to Africa in 2002. As part of a delegation of hospice professionals for the Foundation for Hospices in Sub-Saharan Africa, he was able to see firsthand the devastation of HIV there and also in several other African countries-South Africa, Kenya, Tanzania, and Ethiopia.

Paul Kelly Community Service Award

Prevention Partnership staffer **Rev. Cheravon West** will receive its Paul Kelly Service Award. Rev. West is the manager of the corporation's Family Wellness Project. This project includes community team training and training for Head Start staff and parents. She has also served on the boards of Illinois Head Start Association; Region V Head Start Association; and the National Head Start Association, where she remains an active member. She is cofounder of the Illinois Family Partnership Network and a member of the Department of Children and Family Services Steering Committee for Family Centered Services. She is also co-author of several training designs for Prevention First, Inc. She studies with Jean Houston, Ph.D., the international activist and author with whom she recently toured Italy, from Vincenzi to Rome, for 18 days.

PEOPLE WILL GATHER AT LOYOLA UNIVERSITY for an awards dinner to publicly salute these two special people, all of who have, in his or her own unique way, made Chicago a better place to live, learn, work, and play.

YOU, TOO, CAN SALUTE THEM by adding your name or that of your company/organization in the Souvenir Program Book for the Eighteenth Anniversary Awards Dinner, jointly sponsored by Loyola University, Center for the Advancement of Research Training and Education and The Prevention Partnership, Inc.

We have suggested a few sample messages on the back of this page in the hope it will encourage you to publicly join us in this salute.
